On October 27, 2023, the Compensation Committee of the Board of Directors (the “Committee”) of Abacus Life, Inc. McCauley, Jr. under the Company’s 2023 Long-Term Equity Compensation Incentive Plan (the “Plan”).

Ten percent (10%) of the RSUs will vest and be converted to the Company’s common stock (or, at the Company’s option, the cash equivalent) on July 3, 2024, and the remaining ninety percent (90%) of the RSUs will do so on July 3, 2026. Mr. McCauley must remain employed through the end of the applicable vesting period to receive any award under the Plan, except that he may be entitled to a prorated portion of the award in the event of involuntary termination without cause, death, disability or retirement. In addition, in the event of such a termination in connection with a change in control, all unvested awards generally vest immediately. A change in control is defined in the Plan generally as an event that would be considered as a change in control in the Treasury Regulations published under Section 409A of the Code.
